Subject: City of Wilmington Salient

Good Morning Jessica,

Here is the draft salient for your review and concurrence:

EPA meets with the City of Wilmington's Pretreatment Program: On March 29, 2021, EPA met with representatives of the City of Wilmington to discuss their concern with New Castle County's (NCC) implementation of their EPA approved pretreatment program. The City's treatment works receives approximately 70% of its influent from NCC's jurisdiction including both industrial and domestic sources. (b) (5)
